

Tennessee Aquarium Complimentary Admission Reservation Sheet

Complimentary Admission is offered to students within your group who either participate in the National Free & Reduced Lunch Program or are current members of the Tennessee Aquarium.

From **September through March**, any school with students participating in the national free and reduced lunch program (grades K-12 and Head Start) receives complimentary admission for those students visiting the Tennessee Aquarium and IMAX Theater. **Complimentary admission will not be accepted during the months of April and May.**

Any student who is a current member of the Tennessee Aquarium receives complimentary admission to the Aquarium. Students must bring their membership cards with them.

Please fill out this form verifying the number of students participating in the national free and reduced lunch program and/or the number of current Tennessee Aquarium members that are in your reserved group. This form must be signed by the principal of your school.

Please fax this form to the Reservations Department at (423)-785-2029 and present it at the time of payment to receive complimentary admission.
